## Special Notice

**May 18/September 1, 2015 begins our Spring & Fall Classes** in Medical Missionary Training. This will be a full six weeks training course. The first three weeks will be classroom instruction in the causes of disease as laid out in God's word, and understood in today's unprecedented load of disease and sickness. The last three weeks will be actual hands on experiencing for yourself the remedies for this load of disease and sickness found in deep cleanses; thoroughly learning Hydrotherapy, Herbal Therapy/Preparations, Food Programs, Emergency Natural Healing, Creative Healing Massage and Outreach; also an introduction to Gardening if weather permits. You would fly or drive in by Sunday, May 17 (Aug. 31) you would leave on June 26, (Oct. 14).

### **Financial Requests:**

Supplies for the classes must be on hand before student's arrival, so \$800.00 needs to be here by Wednesday, April 15th, (Aug. 1<sup>st</sup>), 2015. This will secure your place in the six weeks class, and the needed tools for your learning. The remaining \$1,600.00 you may bring at your arrival at our school, or send it any time before arrival. After you have paid for the deposit and or the full amount and you should need to cancel your class due to an emergency, we will be able to refund all but \$200.00.

For couples attending we ask only \$1000.00 for the spouse to cover the basic expenses of the stay and experience.

Ideally, for your sake it may be helpful to plan some payments between now and class to help you defray the cost all at one time. We encourage you to pray much, asking for God's plan, and look eagerly to the Lord for His opening providences and provision as you are planning to enter His program and plan for your life in His work.

### **Prerequisites to attending School:**

Pray earnestly for God's preparation of your heart. We so desire His love and Spirit to fill each one of us with His compassion and understanding first for our families, then for those for whom we are actually going to be ministering to.

Read or re-read the book Ministry of Healing. If you do not own one then call us and we will send one to you, but call timely for your benefit.
